

Financial Controller

Department: Finance

Location: Záborské, Slovakia

Type of Employment: Full-time

Short Description:

Work in the finance department of LEYARD EUROPE s.r.o., part of the worldwide LEYARD Group, which has expanded its activities through a strategic combination with Planar Systems, a leading American manufacturer of digital displays. We are a multinational company operating in the cutting-edge LED technology sector. Our modern and growing manufacturing plant in the Záborské industrial park supports production and technical services for customers across Europe. Learn more about our innovative projects at <https://www.leyardeurope.eu>.

Essential Functions:

- Manage inventory flows, including work in progress, to ensure accurate and efficient warehouse operations
- Reconcile warehouse data with accounting systems to guarantee the integrity of financial information
- Control material cost allocation in line with internal guidelines to maintain transparency and accuracy
- Analyze production profitability and provide actionable recommendations for performance improvement
- Monitor production costs across cost centers and programs, delivering regular reports
- Oversee investment and headcount reporting to support effective resource planning
- Assist in product costing and ensure precise budget preparation
- Collaborate on business plan and budget development to align with company objectives
- Contribute to monthly, quarterly, and annual closing processes for timely and accurate results
- Ensure compliance with internal procedures and support adherence to regulatory standards
- Perform ad hoc analyses to enable fast, informed decision-making for management

Personal requirements:

- Bachelor's or Master's degree in Economics or a related field
- Strong English skills at an intermediate (B2) level for effective communication
- Advanced proficiency in Microsoft Office and expert-level skills in Excel
- Experience with ERP systems (Helios Orange, MS Dynamics, or SAP preferred)
- Intermediate knowledge of Helios Orange iNUVIO
- Valid driver's license (Category B)
- Minimum 5 years of experience in a similar role within a manufacturing environment
- Solid understanding of controlling and planning processes
- Ability to interpret and analyze manufacturing processes
- Personal qualities: independence, analytical thinking, accuracy, and strong teamwork skills
