**Advanced
Replacement of
Certain Critical
Components**

LIFETIME TOTAL COVERAGE

The Leyard Europe EverCare Lifetime Limited Warranty is comprehensive, covering the product as long as the end customer continues to own and use the product in a fixed location. The Warranty covers:

- Entire product from controller to sub-pixel, including every component in between
- Pixels and sub-pixels – the R, G, B pixel and, individually, the R, G, and B sub-pixels
- Repair or replacement of any component
- Access to phone and email support
- Advance Replacement of certain critical components
- May be augmented by optional Leyard Europe scheduled or on-demand SLA on-site service programs

The Leyard Europe EverCare warranty covers Leyard Europe TVF Series LED video walls manufactured by and sold by Leyard Europe.

DELIVERING SUPERIOR SERVICE

Leyard Europe has been designing, building, deploying and supporting display products in Reutlingen (Germany) and Presov (Slovakia) for nearly 30 years. During this time we have built a professional services and systems engineering organization spanning the European region, backed by engineering, manufacturing and service specialists in our European locations. Our confidence in our products, deep expertise within our team and mission to serve our customers allow us to offer and deliver this exceptional warranty.

REGISTER

Lifetime is a long time, so we need to know where your video wall is installed. Register your Leyard Europe display solution on www.leyardeurope.eu so we can best serve you and your video wall.
